@QUUX_NL

Almost 40 years of experience in the ICT Security field working for major Dutch and international companies and organisations.

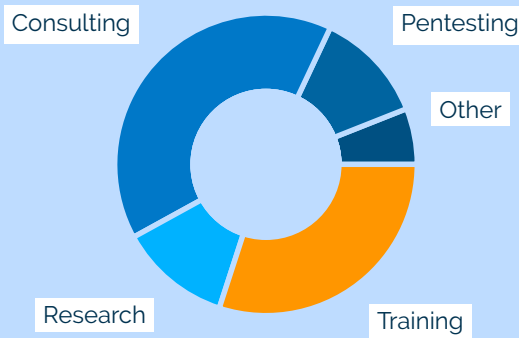

latest degree from H.I.O. Eindhoven

Passionate about privacy and protecting delicate data, I am always looking for new exciting projects in both The Netherlands and abroad.

SKILLS AND TECHNOLOGIES

Consultancy on continuously improving software, system and network security, attack- and penetration tests, and IT security training.

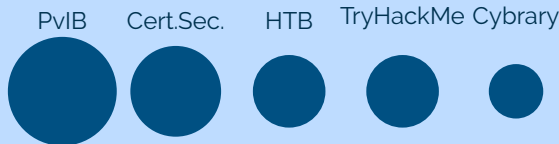

LANGUAGES

- Dutch (ILR 5)
- English (ILR 4+)
- German (ILR 2)

(Have been) Involved in various pro deo projects, including Hack_Right, Hack in the Class, GGOH, Hackers At Large, May Contain Hackers, and DIVD.

I use various training platforms to keep my skills up to date.

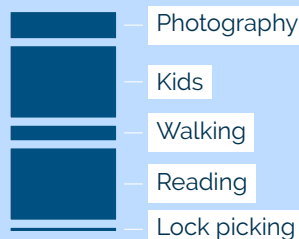

ACTIVITIES

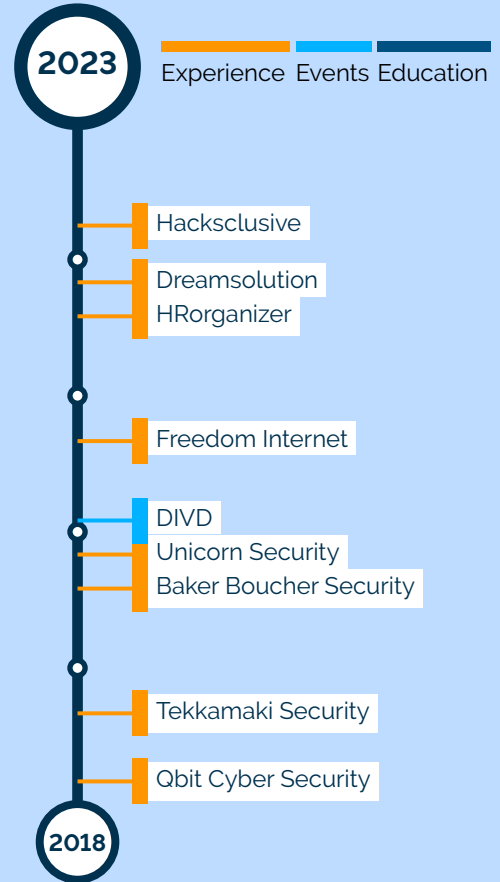

participation in Hacker Events

In my free time I enjoy reading (both fiction, non-fiction and IT security related), photography, lock picking, walking, and spending quality time with my kids.
